2006 Update & Outlook

2006 Hong Kong Market Outlook

- + Local consumer spending continues to increase gradually
- + FIFA World Cup Final in June / July
- Pressure on store operating expenses rental, labour, utility
- PMI started cigarette price war
- Fierce competition

Actions:

- Strong promotions to drive comparable store sales growth
- Increase gross margin / other income %

Retail Asia 2006 Pearl River Delta Market Outlook

- Obtained approval for Sun-High Chain (200 stores) completion in 2nd quarter
- + Strong comparable store growth
- Upward movements in raw material, energy and logistics costing
- Stable rental but upward pressure on labour and utility costs

2006 Market Outlook To Summarize

- Better market conditions but uncertainties due to inflation pressure or operating expenses and cigarette price war in Hong Kong
- Completion of acquisition of Sun-High Chain
- First full year of multi-city expedited growth
- Peak investment year for the Pearl River Delta market
