The Proposal

The respective boards of directors of CRA and Saint Honore wish to announce that on 14 November 2006, CRA requested the Saint Honore Board to put forward a proposal to the Scheme Shareholders regarding a proposed takeover of Saint Honore by way of a scheme of arrangement under Section 99 of the Companies Act. Following the effective date of the Scheme, the listing of Saint Honore Shares on the Main Board of the Stock Exchange will be withdrawn, and Saint Honore will become a wholly-owned subsidiary of CRA.

The actual maximum number of new CRA Shares to be made available for allotment and issuance under the Share & Cash Alternative will be determined at the Record Date but in any event shall not be more than 107,078,500 new CRA Shares, representing approximately 15.83% of the existing issued share capital of CRA, or approximately 13.67% of the enlarged issued share capital of CRA.

If all Scheme Shareholders elect for the Cash Alternative, the amount of cash required for the Proposal is approximately HK\$631,763,150.

Irrespective of the proportions in which Saint Honore Shareholders elect to take the Cash Alternative or the Share & Cash Alternative, the method of settlement of the Cancellation Consideration is not expected to have a material impact on CRA. HSBC, the financial adviser to CRA, is satisfied that sufficient financial resources are available to CRA for the implementation of the Proposal.

CRA has received a conditional Irrevocable Undertaking from WPC pursuant to which WPC has undertaken to vote, or procure the voting, to approve the Proposal at the Court Meeting and the Special General Meeting in respect of the WPC Committed Shares (which represent approximately 17.37% of the Saint Honore Shares in issue).

The Saint Honore Board wishes to announce that Somerley Limited has been appointed as the independent financial adviser to the Saint Honore Independent Board Committee in respect of the Proposal. The Saint Honore Independent Board Committee has approved the appointment of Somerley Limited.

Despatch of the Scheme Document

Saint Honore will send to the Saint Honore Shareholders a Scheme Document containing, among other things, further details about the Proposal and the Scheme, the expected timetable, an explanatory statement as required under the Companies Act, the recommendation of the Saint Honore Independent Board Committee, a letter of advice from the independent financial adviser to Saint Honore, a notice of the Court Meeting and a notice of the Special General Meeting as soon as practicable and in compliance with the requirements of the Takeovers Code.

Withdrawal of listing of Saint Honore Shares on the Main Board of the Stock Exchange

CRA will apply to the Stock Exchange for the withdrawal of the listing of Saint Honore Shares on the Main Board of the Stock Exchange immediately following the effective date of the Scheme. The Saint Honore Board intend that the listing shall be maintained in the event that the Scheme is not approved or lapses.

Possible major transaction for CRA

INTRODUCTION

On 14 November 2006, CRA requested the Saint Honore Board to put forward a proposal to the Scheme Shareholders regarding a proposed takeover of Saint Honore by way of a scheme of arrangement under Section 99 of the Companies Act involving cancellation of all the Scheme Shares and allotment and issue of new shares in Saint Honore to CRA. Under the Proposal, new Saint Honore Shares will be issued to CRA prior to the cancellation of Scheme Shares.

CRA has appointed HSBC as its financial adviser in connection with the Proposal.

The Saint Honore Board wishes to announce that Somerley Limited has been appointed as the independent financial adviser to the Saint Honore Independent Board Committee in respect of the Proposal. The Saint Honore Independent Board Committee has approved the appointment of Somerley Limited.

Neither CRA nor parties acting in concert with it (other than HSBC and members of its group) owns or controls any Saint Honore Shares or any convertible securities, warrants or options in respect of Saint Honore Shares, and none of such persons have dealt in Saint Honore Shares in the 6 months prior to the date of this announcement. Subject to Note 1 to Rule 3.5 of the Takeovers Code, HSBC and members of its group which are deemed to be acting in concert with CRA do not hold any Saint Honore Shares.

Neither Saint Honore nor parties acting in concert with it owns or controls any CRA Shares or any convertible securities, warrants or options in respect of CRA Shares.

The cash consideration of HK\$2.95 per Scheme Share under the Cash Alternative represents:

- (a) a premium of approximately 43.9% over the closing price of HK\$2.05 per Saint Honore Share as quoted on the Stock Exchange on 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement);
- (b) a premium of approximately 56.9% over the average closing price of HK\$1.88 per Saint Honore Share for the 10 trading days up to and including 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement);
- (c) a premium of approximately 58.6% over the average closing price of HK\$1.86 per Saint Honore Share for the 30 trading days up to and including 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement); and
- (d) a premium of approximately 170.6% to the audited consolidated net asset value per Saint Honore Share of approximately HK\$1.09 as at 31 March 2006.

The Share & Cash Alternative

The actual maximum number of new CRA Shares to be made available for allotment and issuance under the Share & Cash Alternative will be determined at the Record Date but in any event shall not be more than 107,078,500 new CRA Shares, representing approximately 15.83% of the existing issued share capital of CRA, or approximately 13.67% of the enlarged issued share capital of CRA.

The aggregate value of the Cancellation Consideration under the Share & Cash Alternative is approximately HK\$631,763,150, based on the closing price of CRA Shares of HK\$2.95 per CRA Share on the Stock Exchange on 14 November 2006 (being the last trading day in CRA Shares prior to the date of this announcement).

The value of the Share & Cash Alternative of HK\$2.95 per Scheme Share based on the closing price of CRA Shares on the Stock Exchange on 14 November 2006 (being the last trading day in CRA Shares prior to the date of this announcement) represents:

- (a) a premium of approximately 43.9% over the closing price of HK\$2.05 per Saint Honore Share as quoted on the Stock Exchange on 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement);
- (b) a premium of approximately 56.9% over the average closing price of HK\$1.88 per Saint Honore Share for the 10 trading days up to and including 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement);
- (c) a premium of approximately 58.6% over the average closing price of HK\$1.86 per Saint Honore Share for the 30 trading days up to and including 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement); and
- (d) a premium of approximately 170.6% to the audited consolidated net asset value per Saint Honore Share of approximately HK\$1.09 as at 31 March 2006.

The CRA Shares to be issued pursuant to the Proposal will be issued and credited as fully paid up and will rank pari passu with the existing CRA Shares at the date of issue and are expected to be allotted and issued at HK\$2.95 per CRA Share under the general mandate granted to the CRA Directors at the annual general meeting held on 2 May 2006 but will not rank for any dividends or other distributions declared, made or paid by reference to a record date prior to the date of allotment.

An application will be made to the Stock Exchange for the listing of, and permission to deal in, the CRA Shares to be issued in satisfaction of the Share & Cash Alternative, on GEM.

Irrespective of the proportions in which Saint Honore Shareholders elect to take the Cash Alternative or the Share & Cash Alternative, the method of settlement of the Cancellation Consideration is not expected to have a material impact on CRA. CRA expects to finance all the amount payable under the Proposal from internal resources and external financing. HSBC, the financial adviser to CRA, is satisfied that sufficient financial resources are available to CRA for the implementation of the Proposal.

	2005 (HK\$'000)	2006 (HK\$'000)

CRA'S INTENTION REGARDING SAINT HONORE

Following implementation of the Proposal, CRA intends that the Saint Honore Group will continue to carry on its current business of manufacture of bakery products and operation of a retail chain of bakeries.

It is the intention of CRA that the existing connected transactions between Hong Kong Catering and Saint Honore as reported in the last published financial statements of Saint Honore shall continue after implementation of the Proposal pursuant to the subsisting terms of the governing agreements.

WITHDRAWAL OF LISTING OF SAINT HONORE SHARES ON THE MAIN BOARD OF THE STOCK EXCHANGE

CRA will apply to the Stock Exchange for the withdrawal of the listing of Saint Honore Shares on the Stock Exchange immediately following the effective date of the Scheme. The Scheme Shareholders will be notified by way of a press announcement of the exact dates of the last day of dealing in Saint Honore Shares and on which the Scheme and the withdrawal of the listing of Saint Honore Shares will become effective. A detailed timetable will be set out in the Scheme Document, which will also contain, among other things, further details of the Scheme.

The Saint Honore Board intend that the listing of Saint Honore Shares on the Main Board of the Stock Exchange shall be maintained in the event that the Scheme is not approved or lapses.

REASONS AND BENEFITS OF THE PROPOSAL

The CRA Board is of the view that the terms of the Proposal are attractive to the Saint Honore Shareholders and that the proposed takeover of Saint Honore will be beneficial to both shareholders of CRA, and to Saint Honore, in a number of ways.

It is CRA's intention to broaden its management expertise and develop its China business. The CRA Directors recognise the strong brand value of Saint Honore and believe its expertise in the baking business will enhance the business proposition for CRA Group's convenience stores as well as underpinning its China strategy. Saint Honore is an existing dough and baked products supplier to CRA and implementation of the Proposal will further facilitate business integration between Saint Honore and CRA and capture revenue synergies and greater operational efficiency. Furthermore, the implementation of the Proposal is expected to enhance CRA's earnings. **In accordance with Rule 10.10 of the Takeovers Code, CRA Shareholders and prospective investors should note that this statement should not be interpreted to mean that CRA's earnings per CRA Share will necessarily be greater than those for the preceding financial period of CRA, being its financial period ended 31 December 2005.**

The CRA Board believes that the ability of Saint Honore to take advantage of its listed status to raise funds from equity markets is limited and that the costs associated with the maintenance of Saint Honore's listing on the Stock Exchange may no longer be warranted. The limitation on liquidity can be observed through the average daily trading volume for the 6 months up to and including 13 November 2006 (being the last trading day in Saint Honore Shares prior to the date of this announcement) being approximately 18,699 Saint Honore Shares.

The CRA Board believes that the Proposal represents a good opportunity for the Scheme Shareholders to realise their investments at a price significantly above the prevailing market price of Saint Honore Shares.

DISCLOSURE OF DEALINGS

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”

POSSIBLE MAJOR TRANSACTION FOR CRA

The Proposal constitutes a possible major transaction for CRA under the GEM Listing Rules. A circular providing details of the Proposal will be despatched to the CRA Shareholders in accordance with the relevant requirements of the GEM Listing Rules.

King Lun Holdings Limited, which is beneficially interested in 373,692,000 CRA Shares, representing approximately 55.25% of the issued share capital of CRA, has indicated that it approves the Proposal and has given a written shareholders' approval as required under Rule 19.44(2) of the GEM Listing Rules. On this basis, CRA intends not to convene a general meeting of shareholders to approve the Proposal.

GENERAL

The Saint Honore Independent Board Committee (comprising all the independent non-executive Saint Honore Directors) has been formed to advise the Saint Honore Independent Shareholders in connection with the Proposal. The other two non-executive Saint Honore Directors, Mrs. Chan King, Catherine and Mr. Chan Ka Lai, Joseph, are respectively the spouse and the son of Mr. Chan Wai Cheung, Glenn (the Chairman of Saint Honore). As such, they will not be appointed as members of the Saint Honore Independent Board Committee. Somerley Limited has been appointed as the independent financial adviser to advise the Saint Honore Independent Board Committee in respect of the Proposal. The Saint Honore Independent Board Committee has approved the appointment of Somerley Limited.

Saint Honore will send to the Saint Honore Shareholders a Scheme Document containing, among other things, further details about the Proposal and the Scheme, the expected timetable, an explanatory statement as required under the Companies Act, the recommendation of the Saint Honore Independent Board Committee, a letter of advice from the independent financial adviser to the Saint Honore Independent Board Committee and the Saint Honore Independent Shareholders, a notice of the Court Meeting and a notice of the Special General Meeting as soon as practicable and in compliance with the requirements of the Takeovers Code.

Trading of Saint Honore Shares on the Stock Exchange will be suspended on the day of the Court Meeting and the Special General Meeting. Further suspension of trading of Saint Honore Shares on the Stock Exchange as may be required will be further announced.
